Governor's Office Comment on Latest Legislative ACP Stunt

RALEIGH: Kristi Jones, Chief of Staff for Gov. Roy Cooper, released the following comment on the latest legislative ACP stunt:

"Our goal is to provide access to natural gas to help the economy while protecting the environment in counties impacted by the pipeline and it is unfortunate that legislators chose to raid a fund intended to do just that."

"Sacrificing jobs in order to manufacture a partisan power grab is a new low and legislators will have to answer to the people of eastern North Carolina. We look forward to discussing this further."
